

## To the Farmers

We have procured within the last week approximately two hundred barrels of sorghum. We have been paying prices from ten to fifteen cents above the market value in order to get strictly fancy No. 1 sorghum. We will be compelled to reduce our prices on and after December 2d as follows:

Sorghum delivered to Webbville, Ky., 50c gallon  
Sorghum delivered to Louisa, 60c per gallon with barrels returned.

These prices are good only until December 9th and are subject to our requirements being filled previous to that time.
